ARTICLE 11.
REDUCTION IN SUPPLY OF DISTRICT WATER DUE TO SHORTAGE

11.1 **Reductions in Supply.** The Parties recognize that the quantity of District Water available to District at any given time may be reduced or eliminated by various circumstances, including, but not limited to: (a) a drought, reduction of supply or shortage condition with respect to water available to the District under its water rights; (b) an adverse regulatory, legal or environmental determination to District,

which directly or indirectly restricts District from diverting and exercising its water rights; (c) the consent of District to a restriction on its right to divert and exercise its water rights; (d) the consent of District to, or an adverse determination against District, finding that District is no longer reasonably and beneficially using all of its water; or (e) the risk of an unexpected event disrupting District's ability to transfer the water to be delivered to Customer, or an unexpected event disrupting Customer's ability to receive the water delivered by District, such as a flood, earthquake, fire, act of war, or like emergency.

11.2 Allocation of Shortage. In the event that a shortage condition from any cause is declared by the District with respect to its water rights or supply in Lake Mendocino and the east fork of the Russian River, and evidence of such shortage condition is of sufficient magnitude, in the District's sole opinion or findings, to require a reduction in diversions by District pursuant to its Permit, then District shall be entitled to reduce the amount of District Water it is required to deliver to Customer pursuant to the terms of this Agreement in the manner set forth below without any form or manner of liability. Customers will share pro rata in the reduction in District's allowed diversions from the Russian River and/or Lake Mendocino, as the case may be.

11.3 Declaration and Notice. In the event of a shortage pursuant to Section 11.2 above, District shall deliver a written "Notice of Impending Shortage" to Customer, informing Customer of the amount of reduction in District Water for the period in question, which shall be binding on Customer. In the event of such an emergency water shortage, District shall comply with the notice, hearing, and other requirements set forth in Division 1 Chapter 3 of the California Water Code.

11.5 Inability to Deliver. If the delivery of District Water under the provisions of this Agreement is prevented, delayed, or made impracticable due to drought, flood, fire, earthquake, or other natural disaster, federal or state regulatory limitations, strike, unavailability of necessary materials, electrical power or fuel, civil rioting, terrorism, war or military conflict, inability of District to obtain any approval for conveyance of District Water from any government agency, including the SWRCB, or if the cost of complying with any environmental requirements renders this transaction economically or physically impractical (each a "Force Majeure Event"), District shall not be required to deliver and Customer shall not be required to pay for that portion of the District Water the delivery of which has been prevented, delayed, or made impracticable, for the period of prevention, delay, or impracticability. District Water not delivered as a result of a Force Majeure Event may be delivered to Customer

on a make-up basis upon the conclusion of the Force Majeure Event, or at other times mutually agreeable to the parties on a reasonable, mutually agreed schedule, subject to District's determination that such make-up deliveries are legally permissible and practicable.

11.6 **No Liability for Shortage.** Neither the District nor any of its officers, agents, or employees shall be liable for any damage, direct or indirect, arising from shortages in the amount of District Water to be made available for delivery to Customer under this Agreement caused by any of the reasons set forth in this Article, or any other cause beyond its control.

Such notice shall provide an opportunity for the matter to be considered by District's Board of Trustees, and Customer may present information relevant to the Board's consideration. The Board's determination of the matter after such consideration shall be conclusive and final.

12.2.2 Notwithstanding Section 12.2.1 above, if Customer is a Public Water System, as defined in Section 116275 of the California Safe Drinking Water Act, Part 12, Chapter 4 of the California Health and Safety Code, the District acknowledges that the California Department of Public Health ("CDPH") may require that Customer maintain a minimum contract quantity with District ("CDPH Contract Quantity"), as well as a buffer amount above and beyond Customer's maximum demands ("Buffer"). In order to accommodate this requirement, District agrees that it will not exercise its right to reduce Customer's Contract Quantity, pursuant to Section 12.2.1, below the CDPH Contract Quantity, provided Customer covenants to utilize its full Contract Quantity less the Buffer at least once every three (3) years. District reserves the right of specific performance as provided in Section 15.2 below to enforce the covenants made by Customer.

**ARTICLE 13.
CONSERVATION PLAN**

District Customer shall comply with the water conservation program and enforcement plan established by the District set forth in Article 9 of Ordinance 25-01 (“Plan”). 14.1.3. If any warranty, representation or other statement made by or on behalf of Customer and contained in this Agreement or any other document furnished by Customer in compliance with or in reference to this Agreement is on the date made, or later proves to be, false, misleading or untrue in any material respect.

14.2. **District Default.** Each of the following shall constitute a default by District under this Agreement:

14.2.1. If District fails to perform, comply with, or observe any term, covenant, obligation, undertaking, or other obligation under this Agreement that it is to perform or observe, and District fails to cure such failure within thirty-five (35) days after Customer's written notice of default; or

14.2.2. If any warranty, representation, or other statement made by or on behalf of District and contained in this Agreement or any other document furnished by District in compliance with or in reference to this Agreement is on the date made, or later proves to be, false, misleading, or untrue in any material respect.

ARTICLE 15. REMEDIES

15.1. **District's Remedies.** In the event of a default by Customer, District shall have the following rights and remedies, in addition to any rights and remedies now or hereafter provided by law or District Enactments:

15.1.1. District may terminate this Agreement, discontinue making water available to Customer pursuant to the terms hereof and remove its meter at Customer's Point of Delivery;

15.1.2. District may suspend availability of District Water to Customer's Point of Delivery until such time as Customer has cured its default or may impose conditions upon the availability of District Water to Customer; or

15.1.3. District may, by mandamus or other action or proceeding or suit at law or in equity, enforce its rights against Customer, or by suit in equity enjoin any acts or things which are unlawful or violate the rights of District.

Prior to discontinuing water service under this Agreement, District must provide thirty (30) day's advance written notice prior to the proposed discontinuance, specifying the grounds upon which the action is to be taken. Before discontinuance of the service, the Customer shall have the opportunity to discuss the reasons for the proposed discontinuance with the District's General Manager, or their designated agent, who shall be empowered to review all letters and statements, rectify any errors, and settle any controversies pertaining to the discontinuance of service. Customer shall be entitled to appeal any decision of the General Manager to the Board of Trustees.

15.2. **Specific Performance.** The Parties have invested significant time and resources in entering into this Agreement and will invest additional time and resources in the implementation hereof. It is not possible to determine the sum of money which would adequately compensate a Party for such efforts. For the above reasons, the Parties agree that damages would not be an adequate remedy if a Party fails to carry out its obligations under this Agreement and that, in addition to any other right or remedy to which a Party may be entitled, at law or in equity, each Party shall be entitled to enforce any provision of this Agreement by a decree of specific performance and to temporary, preliminary, and permanent injunctive relief to prevent a breach or threatened breach hereof, without posting any bond or other undertaking. Notwithstanding the foregoing, Customer shall have no right to seek specific performance to cause District to make District Water available for Customer's use when District has determined that such water is not available, or to compel District to exercise its discretion in any particular manner when a decision is reserved to District's judgment hereunder or by law.

15.3. **No Waiver.** A waiver of any default or breach of duty or contract by a Party shall not affect any subsequent default or breach of duty or contract or impair any

rights or remedies on any such subsequent default or breach of duty or contract by the other Party. No delay or omission by a Party to exercise any right or remedy accruing upon any default or breach of duty or contract shall impair any such right or remedy or shall be construed to be a waiver of any such default or breach of duty or contract or an acquiescence therein.

15.4. **Remedies Cumulative.** No remedy herein conferred upon or reserved to a Party is intended to be exclusive of any other remedy, and each such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing in law or in equity or by statute, District Enactment, or otherwise and may be exercised without regard to any other remedy conferred by any other law.

ARTICLE 16. INDEMNIFICATION

16.1. **Customer Indemnity.** To the fullest extent permitted by applicable law, Customer shall defend, indemnify, and hold harmless the District, its officers, directors, employees, and agents, and each and every one of them, from and against any and all actions, liability, damages, claims, suits, proceedings, judgments, settlements, losses, and expenses (including reasonable legal fees and expenses of attorneys chosen to represent District), including all expenses of every type and description to which it or they may be subjected or put to arising out of or related to the following:

16.1.1. any breach or alleged breach of any representation, warranty, covenant, provision, promise, or agreement of Customer contained in this Agreement or in any document, instrument, or agreement executed and delivered by Customer in connection herewith;

16.1.2. any loss, injury, adverse impact, or damage or alleged loss, injury, adverse impact, or damage to any person, entity, party, or property arising out of or related in any way to this Agreement or to the District Water made available by District to Customer pursuant to this Agreement after it is made available at Customer's Point of Delivery, and

16.1.3. District shall not be liable to Customer for any loss or damage to person or property caused by any Force Majeure Event, or any other causes, or any consequential damages or inconvenience which may arise from or relate to use of the District Water.

This indemnification is effective and shall apply whether or not any such action is alleged to have been caused in part by District as a party indemnified hereunder. This indemnification shall not include any claim arising from the sole or active negligence or willful misconduct of District or any of its directors, officers, employees, or agents.

16.2. **District Indemnity.** To the fullest extent permitted by applicable law, District shall defend, indemnify, and hold harmless Customer, its officers, directors, employees, and agents, and each and every one of them, from and against any and all actions, liability, damages, claims, suits, proceedings, judgments, settlements, losses, and expenses (including reasonable legal fees and expenses of attorneys chosen to represent Customer), including expenses of every type and description to which it may be subjected or put to arising out of or related to: any breach or alleged breach of any representation, warranty, covenant, promise, or agreement of District contained in this Agreement. This indemnification shall not include any claim arising from the sole or active negligence or willful misconduct of Customer or any of its directors, officers, employees, or agents.

16.3. **Customer Covenant; Insurance.**

16.3.1. **Covenant.** Customer, on its own behalf and on behalf of its officers, directors, employees, and agents, covenants and agrees that it shall not initiate or pursue, or assist or support any other person or entity in the initiation or pursuit of, an action or undertaking of any kind, whether judicial, administrative or otherwise, that seeks to or would limit, diminish, impair, interrupt, or prohibit, either temporarily or permanently, (a) District water rights or entitlements; (b) the District Enactments; or (c) the District's ability to perform its obligations under this Agreement or other instrument by which District provides or makes available water to Customers.

16.3.2. **Insurance.** Customer shall procure and maintain at its own cost during the term hereof a policy of commercial general liability insurance issued by a company lawfully authorized to do business in California, with a Best Insurance Reports (or comparable) rating of "A-VII" or better, covering Customer for its activities hereunder in the amount of one million dollars (\$1,000,000). The insurance shall name as additional insured and provide waiver of subrogation to District and its directors, officers, elected officials, appointed officials, lenders, agents, attorneys, and employees, as their interests may appear. Customer shall provide evidence of such insurance to District satisfactory to District's General Manager.

16.4. **Defense of Claims.** No right to indemnification under this Article shall be available unless the Party seeking indemnification (the "Indemnified Party") shall have given to the Party obligated to provide indemnification (the "Indemnitor") a written notice (a "Claim Notice") describing in reasonable detail the facts giving rise to any claim for indemnification hereunder promptly after receipt of knowledge of the facts upon which such claim is based. A delay or failure to so notify the Indemnitor shall relieve the Indemnitor of its obligations hereunder only to the extent, if at all, that it is prejudiced by reason of such delay or failure. Upon receipt by the Indemnitor of a Claim Notice from an Indemnified Party with respect to a claim of a third party, such Indemnitor shall assume the defense thereof with counsel reasonably satisfactory to the Indemnified Party, and the Indemnified Party shall cooperate in the defense or

prosecution thereof and shall furnish such records, information, and testimony and attend all such conferences, discovery proceedings, hearings, trials, and appeals as may be reasonably requested by the Indemnitor in connection therewith. If the Indemnitor assumes such defense as provided above, then the Indemnitor shall have the right in its sole discretion, to settle any claim for which indemnification has been sought and is available hereunder, provided the Indemnified Party is fully released from all known and unknown claims of such third party and the Indemnified Party is not obligated to perform any actions or pay any money on account of such settlement. If the Indemnitor does not assume such defense as provided above, then: (a) the Indemnified Party shall have the right to employ its own counsel in any such case, and all of the fees and expenses of such counsel shall be the responsibility of Indemnitor, who shall promptly reimburse the Indemnified Party fully for such expenses; and (b) the Indemnified Party shall have the right, in its sole discretion, to settle any claim for which indemnification has been sought and is available hereunder, at the expense of Indemnitor, who hereby agrees to promptly reimburse the Indemnified Party all costs and expenses incurred by the Indemnified Party with respect to such settlement.

ARTICLE 17. GENERAL PROVISIONS

17.1. **No Third Party Rights.** This Agreement is made solely for the benefit of the Parties and their respective permitted successors, and assigns, if any. Except for such a permitted successor and assign, no other person or entity shall have or acquire any right by virtue of this Agreement.

17.2. **Assignment.** Neither Party may assign any of its rights or delegate any of its duties under this Agreement. Any assignment or delegation made in violation of this Agreement is void and of no force or effect. This Agreement is and will be binding upon and will inure to the benefit of the Parties and, upon dissolution, the legal successors and assigns of their assets and liabilities.

17.3. **Property Transfer.** In the event that Customer proposes to sell its real property to which District Water is made available under this Agreement, Customer shall notify District in writing in advance of the close of escrow with sufficient time for District to consider the proposed transfer. If (a) District is timely notified of the proposed transfer; (b) Customer is not then in default under this Agreement at the time of such notification or at any time up until the close of escrow; and (c) the proposed new owner executes a new agreement with District in substantially the same form as this Agreement, or if specified by District, executes District's then-current uniform water supply agreement, on or before the close of escrow; then District shall approve the application of the proposed new owner and execute the new agreement with such owner. Upon District's execution of the replacement agreement, this Agreement shall be terminated.

17.4. **Governing Law.** This Agreement shall be governed by and construed and interpreted in accordance with the laws of the State of California as well as the District Enactments.

17.5. **Amendment.** The terms of this Agreement may be modified only in writing by mutual agreement signed by both Customer and District. Any amendment made in violation of this section shall be null and void.

17.6. **Entire Agreement.** Except as otherwise provided herein, this Agreement supersedes any and all other agreements, including any prior water supply agreements previously in effect between the Parties prior to execution of this Agreement, either oral or in writing, between the Parties hereto with respect to the availability of District Water to Customer by District and contains all the covenants and agreements between the Parties with respect thereto. Each Party acknowledges that no representation or promise has been made by the other Party which is not embodied herein, and that no other agreement or promise not contained in this Agreement shall be valid or binding. Each recital set forth at the beginning of this Agreement is true and correct and a binding portion hereof.

17.7. **Severability.** Should any provision in this Agreement is held by a court of competent jurisdiction or an arbitrator or arbitration panel to be invalid, void, or unenforceable, the remaining provisions shall nevertheless continue in full force and effect without being impaired or invalidated in any way notwithstanding such invalidity, illegality, or unenforceability.

17.8. **Time is of the Essence.** It is expressly hereby agreed that time is of the essence of each and every provision of this Agreement.

17.9. **Cooperation.** To the extent reasonably required, each Party shall, in good faith, assist the other in obtaining all such necessary approval and preparation of required environmental documents or reports to the SWRCB for District Water as well as Customer Water. The Parties agree to cooperate and assist each other in good faith in meeting such requirements of regulatory agencies as may be applicable to the terms and conditions of the Permit, any requirements imposed upon Customer Water, and performance of any terms of this Agreement.

17.10. **Attorneys' Fees.** Should either Party to this Agreement reasonably retain counsel for the purpose of enforcing any provision of this Agreement, including the institution of any action or proceeding to enforce any provision of this Agreement, or to recover damages if otherwise available hereunder, or to obtain injunctive or other relief by reason of any alleged breach of any provision of this Agreement, or for a declaration based on a demonstrated necessity of such Party's rights or obligations under this Agreement, or for any other judicial or equitable remedy, then if the matter is resolved by judicial or quasi-judicial determination (including arbitration, if such arbitration is agreed to by the Parties), the prevailing Party shall be entitled, in addition to such other relief as may be granted, to be reimbursed by the losing Party for all attorneys' fees, expert fees and costs, and all litigation or arbitration fees and costs

reasonably incurred, including all attorneys' fees and costs for services rendered to the prevailing Party and all attorneys' fees and costs reasonably incurred in enforcing any judgment or order entered on appeal. The prevailing Party shall be determined by the court (or arbitrator, if arbitration is agreed to by the Parties) in the initial or any subsequent proceeding.

17.11. Regulatory and Litigation Costs. District will defend its own interest in any litigation or regulatory action challenging the validity of the Permit or District's use of District Water. The parties shall each defend their own interest in litigation or regulatory action involving this Agreement, including environmental compliance and validity of the Agreement. Any attorney fees and costs awarded in CEQA litigation to a person or entity not a party to this Agreement shall be split equally between the parties.

17.12. Notices. Any notice, approval, consent, waiver, or other communication required or permitted to be given or to be served upon either Party in connection with this Agreement shall be in writing. Such notice shall be personally served, sent by email, telegram, or cable, or sent prepaid by registered or certified mail with return receipt requested, or sent by reputable overnight delivery service, and shall be deemed given: (a) if personally served, when delivered to the Party to whom such notice is addressed; (b) if given by email, telegram, or cable, when sent (with confirmation of receipt); (c) if given by prepaid or certified mail with return receipt requested, on the date of execution of the return receipt; or (d) if sent by reputable overnight delivery service, when received with confirmation of delivery. Such notices shall be addressed to the Party to whom such notice is to be given at the Party's address set forth below or as such Party shall otherwise direct in writing to the other Party delivered or sent in accordance with this section.
