RE: FOREST SERVICE REQUESTS EXTENSION OF TIME TO COMMENT ON THE APPLICATION FOR SURRENDER OF LICENSE AND NON-PROJECT USE OF PROJECT LANDS, P-77-332

Dear Ms. Reese:

The USDA Forest Service (Forest Service) respectfully requests that the Federal Energy Regulatory Commission (FERC) provide an extension of time to comment on the Pacific Gas and Electric's Application for Surrender of License and Non-Project use of Project Lands, P-77-332, filed on July 25, 2025. Since October 1, 2025, the government shutdown has affected Forest Service staffing and its ability to work on a response. The Forest Service requests an extension of the deadline until December 15, 2025, for the submission of comments, protests and motions to intervene in the proceeding. We believe this extension will allow our agency adequate time to respond.

Sincerely,

Wade McMaster
