STAFF REPORT

To: Board of Trustees
From: E. Salomone, General Manager
Meeting: Monday, January 9, 2023
RE: Agenda Item 8c: State of Emergency

The Strategic Plan relevant priority are **Advocacy:** Improving public awareness and understanding of the importance of water issues; and **Administration:** Fostering District resources in alignment with the District's Mission to steward water resources for the benefit of people and environment.

Background

The Ralph M. Brown Act (Gov. Code § 54950 et seq.) generally requires local agencies meeting via teleconference, including through other virtual or electronic means, to provide public access at each location in which members of the legislative body are teleconferencing. Legislature recently enacted Assembly Bill 361, Chapter 165, Statutes of 2021 ("AB 361"), which amended Government Code section 54953 to allow local agencies to meet fully virtually during a proclaimed state of emergency if state or local officials have imposed or recommended measures to promote social distancing. The Governor of California issued a proclamation declaring a state of emergency on March 4, 2020 due to the COVID-19 pandemic, pursuant to section 8625 of the California Emergency Services Act, and this proclaimed state of emergency currently remains in effect. Additionally, on September 29, 2021, the Mendocino County Health Officer issued a Health Recommendation urging public bodies in Mendocino County to continue meeting remotely through online meetings to lower the risk of COVID-19 transmission.

On November 1, 2021, the Board of Trustees of the Mendocino County Russian River Flood Control & Water Conservation Improvement District adopted Resolution #21-04 Making Findings and Determinations Under Assembly Bill 361 For Continued Virtual Meetings. Consistent with the provisions of Government Code Section 54953(e), the Board found and determined that (1) a state of emergency related to COVID-19 is currently in effect; and (2) state and local officials have recommended measures to promote social distancing in connection with COVID-19. Based on such facts, findings and determinations, the Board authorized staff to conduct remote teleconference meetings of the Board under the provisions of Government Code Section 54953(e). 3. This Resolution took effect immediately.

Recommended Action:

- Move to reaffirm the previously adopted Resolution #21-04 Making Findings and Determinations under Assembly Bill 361 for Continued Virtual Meetings, determining that (i) The state of emergency continues to directly impact the ability of the members to meet safely in person; and/or (ii) State or local officials continue to impose or recommend measures to promote social distancing.
